

# 8th Annual Pan European Small & Mid Cap Conference

12 - 13 March 2008  
London

## invitation

Dear Client,

The Deutsche Bank 8th Annual Pan European Small & Mid Cap Conference will be held at Winchester House, London on Wednesday, 12 – Thursday, 13 March 2008.

Following on from last year's record attendance, we aim once again to make this the "must attend" event for Small & Mid Cap investors and a key opportunity for any fund manager seeking alpha generation. With stock picking playing an increasingly important factor in determining outperformance, we shall present top management from a select list of corporates that we believe offer attractive opportunities across the Pan European Small & Mid Cap universe.

The presentations will be held over two days with opportunities to meet representatives of senior management in one-on-one and small group meetings.

We look forward to seeing you in London in March.
